	<p>*If the district must close schools for more than one day due to inclement weather, it must either apply to the state for a waiver to allow school to continue into the week of June 18, or remove days from Spring Break. If the district applies for a waiver and is denied, this would necessitate the removal of days from Spring Break. Without a state waiver, Spring Break will be shortened by the number of days required between March 26 and March 29.</p> <p>**Whichever day is the last day of school will be a 1 PM dismissal.</p>
