

Age Requirements for Kindergarten

A child must be 5-years-old on or before September 1, 2018 in order to be enrolled in kindergarten.

If your child's birthday is September 2, 2018 through and including October 15, 2018, and you wish to make application for Kindergarten for 2018-19, parents must apply for a waiver by completing an Early Admission Request Packet from their zoned/neighborhood school. All requested documentation must be submitted to the Office of Early Learning by May 15, 2018. Contact the Office of Early Learning at 443-642-3990 for more information on this process and to confirm their deadlines. There is no early admission consideration for a child whose fifth birthday falls after October 15, 2018.

Age Requirements for First Grade

A child must be 6-years-old on or before September 1, 2018 in order to be enrolled in first grade.

If your child's birthday is September 2, 2018 through and including October 15, 2018, and you wish to make application for first grade for 2018-19, parents must apply for a waiver by completing an Early Admission Request Packet from their zoned/neighborhood school. All requested documentation must be submitted to the Office of Early Learning by May 15, 2018. Contact the Office of Early Learning at 443-642-3990 for more information on this process and to confirm their deadlines. There is no early admission consideration for a child whose sixth birthday falls after October 15, 2018.
