

Applying to City Neighbors Hamilton

Enrollment Applications for City Neighbors Hamilton for 2016-17 will be accepted through 3:00 PM on February 12, 2016 for grades K through 8. Enrollment Application deadlines will not be extended in the case of inclement weather and/or school closings due to inclement weather or for any other reason. In order to avoid disappointment and to ensure your child's inclusion in the lottery draw, please do not wait until the last minute to submit Enrollment Applications.

To apply for enrollment to City Neighbors Hamilton (CNH), a separate Enrollment Application must be completed and submitted for each child you wish to enroll. Only one application per child will be accepted. This Enrollment Application is for CNH only. Application to City Neighbors Charter School (on Raspe Avenue) must be made separately. The schools do not share an applicant or waiting list.
