## FLIPPING PANCAKES

City Neighbors Hamilton started another exciting year with the Board Members and their family-members serving breakfast to our community! Pancakes, sausages, fresh fruit, juice, and coffee from Zeke's were served and families caught up with each other both in the cafe and outside in the beautiful weather.

## BACK-TO-SCHOOL NIGHT

Back-to-School Night was hosted by the CNH staff on September 15 and members of the Board were on hand to distribute the School Handbooks and family directories. Our Community Relations Director, Erika Coughlin, did a fantastic job arranging discounted childcare for families with our after-school program, United Education Corporation. It was a wonderful chance

to meet each teacher and discover their vision for the school year. A special thank you to Parent and Family Relations Director, Maryhelen Pflug, and Office Administrator, Stephanie King, for compiling the student directory.

School Handbooks for 2016-17 school year are available on our website:
