The Space Telescope Science Institute's Youth for Astronomy & Engineering Program (YAE) invites you to our annual event:

Parent & Son Evening Under the Stars

Friday, October 27th, 2017
6:00 p.m. to 9:00 p.m.

Space Telescope Science Institute's Youth for Astronomy and Engineering (YAE) Program will be hosting its annual "Parent & Son Evening Under The Stars" event. Please join us for dinner, a fun engaging astronomy presentation (geared towards 5th graders and up but all are welcome), and an interactive activity for the entire family. There will also be an opportunity to participate in night sky observation through the Morris W. Offit Telescope, weather permitting. The cost to attend is \$15.00 per person.

To register for the Parent & Son Evening Under the Stars event, please send your completed application with a check made payable to "Space Telescope Science Institute" to the following address:
