Parent Information Night: Project-Based Learning Please join us for our second Parent Information Night of this school year—Project-Based Learning: Designing A Project—on **Wednesday, December 14** from 7-8:30 at City Neighbors Hamilton’s campus.

At this workshop, you will go through the thinking and design process of building a project study – a core educational philosophy at our schools. Through that work, you will develop a stronger understanding of the why, how, and what of project-based learning, gain new insight into the kind of learning your children experience, and maybe even create an awesome new project idea. The workshop is limited to 15 participants. Childcare for school-age children will be provided. The link to register for the event will be available next Monday. Stay tuned!

Winter Arts Festival Our annual Winter Arts Festival will take place on **Thursday, December 15** from 6:30-8 PM. Students have been working hard to develop their performances for the show. Look for more information as we get closer. Please feel free to reach out to any member of the Arts Team if you have questions: Music: Mr. Washington, cwashington@cityneighborshamilton.org. Dance: Ms. Williams, swilliams@cityneighborshamilton.org, Visual Arts, Ms. Cohen, hcohen@cityneighborshamilton.org.

Safety Committee Obi needs a few thought partners to discuss and implement a plan on how to ensure the safe arrival and departure of our students. If you’re interested in being a part of this conversation, please email her at ookobi@cityneighborshamilton.org.

2017-18 Enrollment

We are currently accepting enrollment applications for 2017-18. If you wish to enroll a sibling of a current student for 2017-18, you **MUST** complete and submit an enrollment application and check the "sibling" box where indicated on the application. If the sibling has a different last name than the current CNH student, please note the current student's name on the application. Applications can be downloaded from our website: www.cityneighborshamilton.org or you can pick up a hard copy in the office during regular school hours. Sibling applications are due by **January 30, 2017**.

Siblings of current students will not be entered into the lottery, however we **MUST** receive an application by the deadline in order to consider him/her for enrollment. Current CNH students do not have to reapply.

Please bear in mind, the definition of sibling is a brother and/or sister who resides in the same household AND:

- shares a common parent, or
- is legally adopted by the same parent, or
- is the legal responsibility of the same adult/parent (proof of legal custody will be required).

Cousins, nieces, nephews, and/or unrelated children sharing the same address with a current CNH student, and who do not meet any of the above criteria, are not considered siblings. The Sibling Preference Policy is dependent upon available grade openings and does not guarantee enrollment for each sibling.

The Sibling Preference Policy applies to current CNH students and does not extend to City Neighbors High School.
