**GRADES K THROUGH 8**

## Kindergarten Supply List

Hello incoming kindergarten families!

As your child's new teacher, I warmly welcome your family to our classroom community. I look forward to getting to know you and your child well, and to the joyful journey that we all will share together in the year ahead.

Thank you for making the commitment to purchase school supplies. In kindergarten, the growth that children experience as individuals is complemented by the development of their identities as contributing, considerate members of a larger group. One way that we cultivate this sort of development is by sharing many classroom materials and supplies in common. Thus, as you and your child prepare the school supplies listed below, you will notice that I request that some items be labeled with your child's name, and some not.

I hope you and your child are enjoying the specialness of summer, and look forward to meeting you soon.

Lisa Bryant([lbryant@cityneighborshamilton.org](mailto:lbryant@cityneighborshamilton.org))

### Help us build our classroom collection of materials!

Throughout the year, we invite families to contribute to art experiences by donating interesting materials that are no longer needed at your home or workplace but might inspire creativity in the classroom. You can drop off these materials in the kindergarten classroom at any time, starting on the first day of school. We hope you'll consider what you might have on hand at home or work to offer. A few ideas include: used but attractive papers, such as old gift wrap, colorful tissue paper, or origami paper; unused stationery and envelopes; old car maps and atlases; old flower nursery catalogs for cutting; silk or dried flowers; small items such as buttons, beads, colored metal bottle caps, nuts, and bolts in silver, brass, or copper colors, corks.

\* Please note that art smocks will be made available to your child in the classroom.

Please contact Mrs. Bryant directly if there are any questions about the supply list.
