

Family Cooperative

City Neighbors Hamilton is structured as a Family Cooperative. Family participation is central to the success of the CNH program. By participating fully in our Family Cooperative, you can take satisfaction in the knowledge that you are an integral part of the success of City Neighbors Hamilton.

Each family is required to:

- contribute 40 hours per school year, and
- join at least one school committee.

Forty Hours of Service

There are many ways to contribute 40 hours to CNH. There are daily tasks, such as morning greeters, breakfast and lunch assistants, and playground assistants. There are weekly tasks, such as Monday Mailer Compiler. There are occasional tasks, such as field trip chaperone and school tour guides. There are even tasks that can be done from home. We need you and your time, talents, skills, and strengths to make CNH vibrant and unique—just like you!

It is your responsibility to fulfill, track, and submit your hours. CNH will provide log sheets. These can also be downloaded from the website, www.cityneighborshamilton.org. You will be sent an update on your progress every trimester.

School Committees

Included with this mailing, you will find a Committee Sign-up Form. Each parent is expected to participate in at least one school committee. There are numerous committees to join. Simply choose one—or more!—according to your interests and abilities. By serving on a committee, you participate in the ongoing creation of CNH.

Please complete the reverse of this form so that we can match you with your strengths, interests, and time-availability. Remember to list any skills or talents you possess. Do you like to paint? Are you good at plumbing? Can you troubleshoot computers? Do you play the piano? Are you comfortable substituting in the school office when Ms. Stephanie has a nasty cold? Don't forget to list any and all interests or skills you have. You never know what we need or when. But we need YOU!
