

2009-2010 Family Directory

City Neighbors Hamilton will be creating a Family Directory in September, 2009. The purpose of this directory is to allow CNH families to communicate with one another in order to build a strong, cohesive community. This can range from arranging carpools and play dates, to coordinating school events. After all, we are neighbors!

The information included in the directory will include student names, student grades, parent/guardian names, home addresses, telephone number/s of your choice, and email address/es of your choice. The directory will be used only by CNH staff and families and for school-related purposes only.

We would like to include contact information for every CNH family. We also understand some of you may not want to share certain information. All student names and grades will be listed. Please complete and indicate below which other contact information you'd like to include.

Print neatly in dark blue or black ink.

Parent/Guardian signature

You may use the reverse of this sheet to add any additional contact information to include in the Family Directory. If your child resides in more than one household and you wish to include both, please indicate on the reverse of the form. Please be sure to include the name of the other parent/guardian to include in the directory.

Please complete and return this form by **Monday, August 24**. If we do not receive a response by then, we will assume you have no objections to having all of your contact information included in a CNH Family Directory, and will use the information we have currently on file.

Thank you for being an active member of City Neighbors Hamilton!
