

Karin Waters, Kindergarten Para-Professional

kwaters@cityneighborshamilton.org

Karin Waters, the paraprofessional for Kindergarten, received her Bachelor's degree in Art Education from Howard University. For over 20 years she has worked with children in the areas of arts and crafts, stage set design and youth ministry. Ms. Waters is excited to join the City Neighbors Hamilton team and especially enjoys nurturing the creativity of the students in the Kindergarten classroom. As a mother of seven grown children, she loves spending time with her grandchildren, quilting and painting with oils.
