KINDERGARTEN
SUPPLY LIST
JEANY BAINES

Welcome to City Neighbors Hamilton!

As your child's kindergarten teacher, I wish to extend a warm welcome to your family. I look forward to getting to know each of you, and to begin the process of developing a partnership that

reflects meaningful communication and an excitement about the possibilities that CNH can offer.

Hopefully, the school supply list is not too daunting! There are smocks in the classroom, so your child may use one when needed. We share many items in the

classroom. This has worked out very well in our class community. Of course, some items need to be labeled, as they will be personal items. Please label all clothes and backpacks with your child's name. If you have any questions, please feel free to contact me.
