

Marilyn Mullen, Second Grade Para-Professional & Dance Instructor

mmullen@cityneighborshamilton.org

Marilyn graduated from Goucher College in 2009 where she studied both dance and education. Her passion for dance education has brought her to teach abroad in both West Africa and Italy. She joined the City Neighbors Hamilton faculty in January of 2010 as a paraprofessional. She is thrilled to be working in such a supportive community with such amazing students! She spends her summers teaching dance and directing a summer camp for children in New York.
