

Home Language Survey

In accordance with federal and state requirements, the Baltimore City Public School System conducts the Home Language Survey (HLS) of all students to assist in identifying language minority students. The HLS provides a broad indicator of which students may require further assessment to determine eligibility for English to Speakers of Other Languages (ESOL) Services.

1. Give parents or guardians of ALL new students this form to complete at registration.
2. Enter the language(s) reported on the SASi registration screen for primary and home languages, including ENGLISH.
3. File the original completed form in each student's cumulative record.
