School Photographs

Included in this Monday Mailer is information on the school photographs that will be taken on Thursday, November 5, beginning at about 9 AM. Please be sure to use the attached envelope to include pre-payment for photographs. If you write a check, please make the check payable to F. Paul Galeone Photographers.

DO NOT MAKE CHECKS PAYABLE TO CITY NEIGHBORS HAMILTON!

Be sure to dress your child in a way you want him/her to be captured for posterity!
And remind them to smile big!

Parking

Many thanks to the parents who have refrained from parking in the driveway or in back of the school building. We have very limited parking, and spaces must be reserved for deliveries and the handicapped. Last week, at our monthly Parent Meeting, we held a drawing for a Parent Parking Permit. Rachel Schley, Trent Fuller's mom, won the coveted fluorescent green permit, conveying to her the privilege of parking behind the school for an entire month! Who will be the next lucky winner? Come to the next Parent Meeting to find out: Wednesday, November 18 at 6 PM!

Flu Vaccination Update

As you have probably already figured out, as of this writing, we have had no further word from the Health Department on the status of the H1N1 vaccination being distributed to students in Baltimore City Public Schools. If you are planning to have your child vaccinated against H1N1, you might want to seek out the vaccine elsewhere, if you have other resources available to you. We will continue to update you as information is made available to us.

In the meantime, it can't hurt to periodically sanitize your child's school supplies, especially if he/she is returning to school after an illness. Let's do what we can to keep our children safe and healthy.

Please visit www.baltimorehealth.org/swineflu for helpful information.

One World Community Day

Please see the attached bright yellow flyer giving details about our upcoming One World Community Day on Friday, November 13th.

Be sure to sign and return the parent acknowledgement form by **Friday, October 30th.**

Substitutes Needed

Because flu season has begun early this year, we are in need of parents willing to be called upon to act as teacher substitutes, often without much notice. If your schedule permits you to be available during school hours, please consider adding your name to the list. See Principal, Candice Abd'al-Rahim, during school hours, or call her at 443-642-2052. Thank you for pitching in!

Pssst...pass it along!

CNH currently has a couple of openings.

Please pass the word along!

Absences and Early Releases

If your child has been out sick for several days, please be sure to send a doctor's note, so that we can record the absence appropriately.

If you are picking up a student early, please be sure to sign the student out in the office using the Visitors Sign-In log, including the child's name and time of early pick up.

Thank you!

T-Shirts, Sweatshirts, & Mugs...Oh My!

CNH long-sleeved t-shirts and sweatshirts and other fun items are on sale now!

Thank you for supporting CNH in style!

Plant-a-Tree Workday

Mark your calendars now for our next workday: Saturday, October 31st from 9 AM to 1 PM. The main effort will be to plant a number of donated trees while the weather still allows. Bring shovels, wheelbarrows, gloves—and your children—to the tree-planting! There will be other indoor projects, as well.

So that we can get a sense of how many of you plan to attend, please use the sign-up sheet on the cafeteria bulletin board.

Help us welcome the newest CNH members!

Jackson Elkins has a new brother, Jude, and Nolan Susnowitz has a new baby sister, Norah. We wish the growing families all the best!

Aftercare Registration

If you have not already done so, we encourage you to register your child with our aftercare providers, One World Cultural Arts Society. The \$25 registration fee will ensure that your child has access to aftercare should an emergency arise. Please direct any questions you have about aftercare to Kendra Banks at 410-325-2627, ext. 35. Thank you.

Classroom Libraries

We are seeking donations of children's books and periodicals for our individual classroom libraries. We will gladly accept all appropriate children's books and magazines. Thank you!
