Front & Center

Happy Monday, everyone!

This week, the Salmon Pages are light and lean, as salmon tends to be!

Literacy Curriculum Night

Thursday, November 17 is Literacy Curriculum Night here at CNH. CNH staff will be facilitating this event. Please plan to join us from 7 to 8 PM for lite bites and valuable information on the CNH literacy curriculum. This is an adults-only event so please secure childcare.

Dressing for the Weather

The weather has, officially, changed and it's time for bulkier coats and warmer shoes. Thank you for ensuring sure your children have appropriate attire for playing outdoors in this colder weather.

Overall Good Stuff!

Our students and staff are engaged in exciting science and art projects. The playground is bustling with activity and the laughter of children. Our fundraisers have been fun and successful because of your enthusiastic participation. Thank you for all of your support!

Have a great week!

Enjoy life,

Fern

CNH Building Committee News

Thanks to everyone who made it to the Building Committee's pot luck. The ideas and enthusiasm are much appreciated. A few areas of interest and need are topping the list this year.

- ◆ Thanks to Kristin Kasprzak, a \$1,000 grant was awarded to CNH. She is off and running landscaping the grounds and could use your help.
- ◆ Kerry and Laurie Brandon and helpers have been working to make sure the auditorium is well lit and ready for the excellent music and theater that 2011-2012 is sure to bring.
- ◆ Marnee Keith and company are moving forward to organize and beautify the library so our students can learn how to use, respect and love those books.
- ◆ Hans Graf and volunteers (and that could easily be you) are looking to seal the outdoor stage and wooden fence on Sunday, November 6 starting at 9:00 AM, (weather permitting). If you are interested please see contact information below.

These projects need your help! Please contact Building Committee Chair, Hans Graf, at (410) 230-9497 or at hgraf@cityneighborshamliton.org to get involved. If you are on the Building Committee but didn't get word about the pot luck, please provide me your current contact information so you can join us. I look forward to our efforts together and making CNH a great school!
