Front & Center

I hope everyone had a wonderful holiday break and took advantage of the unseasonably warm weather. If this keeps up, we can indefinitely delay having to review our school closing policy for inclement weather!

Science Curriculum Night

On Thursday, December 8, we are scheduled to host our Science Curriculum Night for parents from 7 PM to 8 PM. We are in the process of confirming this, however, and will keep you informed via our next Monday Mailer.

Report Cards the CNH Way

Our first round of report cards are coming up. If you're new to the CNH report card process, here is how it works:

As an outgrowth of our commitment to teacher-parent partnerships, and because our assessment is on-going and multi-faceted, the school calendar allots time for parent-teacher conferences at the end of each trimester. In order to obtain your child's report card, you must confer with your child's teacher. The dates for parent conferences for this trimester are Wednesday, December 14, Thursday, December 15, and Friday, December 16. School dismisses at 1 PM each of these days to allow teachers to meet with every family. Each teacher sets her own schedule for conferences during these dates, so look for a sign-up sheet in a future Monday Mailer, or contact your child's teacher directly.

Enjoy life,

~Fern~

Pass the Word!

Beginning Thursday, 12/1, CNH will begin accepting Enrollment Applications for 2012-13. Applications will be accepted through 3 PM on 2/17/12. Beginning 12/1, applications can be downloaded from our website: www.cityneighborshamilton.org. You can obtain a hard copy from the school office, as well.

If your child currently attends CNH, there is no need to re-apply. If your child has siblings you'd like to enroll, please complete an application for each and check "a sibling of a current CNH student" where noted in the upper right-hand corner of the application. Although we employ a Sibling Preference Policy, **we must have applications completed for all siblings of current CNH students who wish to attend. Deadline: Friday, February 10, 2012.**

If you have any questions about the enrollment process for 2012-13, contact Stephanie: sking@cityneighborshamilton.org. And be sure to pass the word!

Empty Water Bottles Needed

Marnee "Captain" Keith is in need of empty water bottles for—what else?—an art project! Please bring in any size water bottles and place them in the collection box outside of the atelier. If you have any questions, contact mkeith@cityneighborshamilton.org. Thank you for supporting the arts at CNH!

Planting Weather!

Lucky for us, the weather is holding out, and that means more time to finish planting the lower school entrance! If anyone wants to bring in a shovel to help finish this project, I have left plants in pots exactly where they need to be planted. Anytime you have a free minute—at drop off, at lunch, after pick-up when the kids are playing outside—every little bit helps. This Saturday and Sunday, 12/3 and 12/4, beginning at Noon, I will be planting anything that is remaining, as well as planting bulbs for spring! If anyone is interested in helping plant bulbs this weekend, please do! And bring the kids to help! Thank you for your help and support!
