## Introducing the Salmon Pages!

Why salmon? Well, to be honest, we liked the color. And fish gather in schools, too. But we do think we have one other important trait in common with this noble fish. In order to provide your children with the education they deserve, we will swim against the tide, if necessary. Our beautiful new facility is testimony to that.

The Salmon Pages will be our primary way of communicating with the parent body and will be sent home every Monday (Tuesday, if Monday is a holiday) with the cleverly-named Monday Mailer. Please look for it, read it, note important information and dates on your calendars. Today, being the first day of school, will be light. But, trust me, this salmon will grow!

So jump in, get involved, and swim upstream with us! You are part of the school we call City Neighbors Hamilton!
