

CNH Kindergarten Families:

The kindergarten orientation will be held on Tuesday, August 16th, from 6:30 -8:00. This gathering will give us an opportunity to meet each other and to gain a deeper understanding of kindergarten at CNH. The evening will offer an overview of the components of kindergarten, as well as general information about CNH. We will not have childcare during the orientation. If you need to bring your child, I will have an area in the room for drawing and table games.

During the afternoon of Wednesday, August 24th, I will be in the classroom working on room setup. This would be a good time for you and your child to stop by CNH to say hello. This is an informal time and offers your child a chance to see the kindergarten room and to meet me.

The whole school orientation will be held on August 26th in the evening. There will be more on this meeting soon. After orientation, there will be a family film shown on the front lawn of the school. This is a fun way to spend a Friday evening!

Hope to see you in August!
